

Alabaster Grace - Being in Your Presence – Song Lyrics:

Being in Your presence, Oh Lord
Is my heart's desire
Being in Your presence, Oh Lord
Is all I need

Being in Your presence, Oh Lord
Is what I'm yearning for
Being in Your presence, Oh Lord
Is all I need

For You alone, Oh Lord
Can fill my heart's desire
For You alone are Lord
Consuming, Holy Fire
For You alone, Oh Lord
You call me to You higher
Oh Lord, My God

Being in Your presence, Oh Lord
Satisfies my hunger
Being in Your presence, Oh Lord
Is all I need

Being in Your presence, Oh Lord
Is what I'm yearning for
Being in Your presence, Oh Lord
Is all I need

For You alone, Oh Lord
Can fill my heart's desire
For You alone are Lord
Consuming, Holy Fire
For You alone, Oh Lord
You call me to You higher
Oh Lord, My God

You are holy
You are worthy
Holy, holy
Worthy, worthy

For You alone, Oh Lord

Can fill my heart's desire
For You alone are Lord
Consuming, Holy Fire
For You alone, Oh Lord
You call me to You higher
Oh Lord, My God
