

“Traveling On” Lyrics – Alabaster Grace

Verse 1

So I was talking early this morning to the Lord of my heart.
And we were conversatin' about the plans He has for my life.
He was telling me that all I needed was to take a small step of faith
To walk in all He has for me.

Chorus

Now my bags are packed and I'm ready to go. I'm traveling on.
I'm gonna leave my past far behind me. All my worries are gone.
I'm traveling on
I'm traveling on, I'm traveling on

Verse 2

He said the road ahead would sometimes be hard to take.
But that all I needed was to take His hand in mine.
And He would be there right beside me to light the way
So now I'm taking this journey holding hands with my God.

Chorus

Now my bags are packed and I'm ready to go. I'm traveling on.
I'm gonna leave my past far behind me. All my worries are gone.
I'm traveling on
I'm traveling on, I'm traveling on

No fear. No doubt. I'm moving on.
In faith. In trust. I'm pressing on.
